

Healthy Minnesota 2020 – Statewide Health Improvement Framework

This chart shows how the *Healthy Minnesota 2020* themes connect to the *Healthy Minnesota 2020* vision. The arrows show the complex web of relationship and activity among the indicators and the outcomes. The vision is realized through a range of actions leading to the desired outcomes; those activities and outcomes are revealed by changes in the core indicators. The outcomes illustrate the “social determinants” frame of reference that is central to *Healthy Minnesota 2020*.
